

## **Sandbag & Furniture/Prop Placement**

**College of Wooster 2010**

### **“Mini Tech Olympics”**

*Beginning with a pile of sandbags and furniture/props, teams will place items in designated locations. The tray may be only used for the sets of table settings. Team members will work one at a time in rotation placing only one item at a time. (Only one team member “on stage” at a time)*

#### **PLACE ITEMS IN THE FOLLOWING ORDER:**

Beginning at HOME BASE, get and place one sandbag just onstage of the stage right proscenium opening and then go to home base.

Get and place one sandbag just onstage of the stage left proscenium opening.

Get and open, assemble and place one TV tray onto spike marks.

Get and place one chair on the stage right side of the TV tray.

Get and place one chair on the stage left side of the TV tray.

Get and place two sets of table settings\* onto table in front of chairs: one knife, fork & spoon to left of TV dinner, glass to the right (this is done by one person in one turn – may use bus tray for this portion only).

Get two swizzle sticks and two umbrellas. Place one swizzle stick and one fully opened umbrella in each of the plastic cups. Cups **MUST** stay upright (or reset immediately) after placement.

Get and fold two napkins in half diagonally and place one under each TV dinner.

Get, set, and place one mousetrap under the table.

Finally, get and place one marking pen, one pencil, and one tablet on the chair seats and team member return to HOME BASE.
